

BEST PRACTICE: 1

Title of the Practice: -Series of Morning Assemblies

Context: - Morning Assemblies are the most important feature of our college co-curricular activities. This activity is planned House wise. This activity focuses on strengthening work culture among student teachers. This programme helps to nurture and maintain a positive healthy work environment. In this context student teachers share information, participate in different thematic activities i.e. speeches, poem recitation, act and showcasing videos.

Objectives of the Practice: - The Objectives for the practice of conducting a series of morning assemblies in the institution were as follows: -

- **Community Building:** To foster a sense of belongingness and unity among students and staff to create a positive college culture.
- **Motivation and Inspiration:** To provide opportunities for motivational talks, speeches, or presentations aimed at inspiring students to excel academically, professionally, and personally.
- **Cultural Observances:** To accommodate the cultural diversity within the college by incorporating observances of different cultures.
- **Discipline and Routine:** To instill a sense of discipline and adherence to schedules among students, promoting punctuality and time management skills.
- **Leadership Development:** To provide platforms for student teachers to develop their public speaking, organizational, and leadership skills by leading or participating in the assembly.
- **Celebration and Recognition:** To celebrate achievements, milestones, and successes within the college community and to recognize outstanding academic, co-curricular, or extracurricular accomplishments.
- **Promotion of Values and Ethics:** To reinforce values such as integrity, honesty, respect, and responsibility among student teachers through messages, discussions, or activities during the assembly.

Practice: -

A day commencing with submission, provides as internal strength and courage to speak the truth. In view of this philosophy, the college provides experience of conducting and organizing morning assembly to the student teachers. The morning assembly is held on Tuesdays/Fridays by different houses. Morning assembly provides the student teachers a forum to deviate from the routine and get training in organizing abilities and self-discipline the assemblies in the institution. The house teacher in charges is responsible for the preparation, smooth organization and conduct of the activity. The teacher house in charges is available to the student teachers for guidance in sequencing the program. The activity enhances consolidating abilities and self-discipline of the student teachers. They discuss the theme with their respective house teachers in charges and prepare a schedule for effective organization of the activity.

During the session 2022-23, a series of morning assemblies were organized on

The theme “Role of Teacher in enhancing 21st Century Skills” for B.Ed. SEM-I on following topics:

Best Practices-2

Title of the Practice: -

Feedback Analysis of the Institution

Context: -

In our institution feedback is acknowledged as an essential element for the improvement. It is considered as a vital approach to facilitate the student's development as independent learners in order to monitor, evaluate and regulate their learning. This practice is done in our institution to bring quality in teaching learning process.

Objectives of the Practice: - The Objectives for the practice of feedback analysis of the institution were as follows: -

- To shape the teaching learning process.
- To improve the learning experiences of the students.

- To identify Teaching strategies and teaching tools that augment effective teaching learning process.
- To assist teachers and to reflect on teaching and teaching strategies to make teaching learning process more effective and relevant.
- To improve the performance of the institution through constructive criticism by the stakeholders which helps to work with motivation.

Practice: -

Institution had formed an effective mechanism for feedback analysis. Institution collected feedback from the students, alumni members, faculty, Academic peers and other stakeholders. A feedback committee worked under the headship of the senior teachers which designed and prepared the feedback proforma. Feedback from the students was collected. The analysis from the feedback were used to review and identify the areas for improvement. Feedback from the Principals of the practicing schools was also taken in the form of feedback proforma regarding the skills demonstrated by the pupil teacher during the school internship. Alumni feedback, during the alumni association meetings were also taken for monitoring academic programmes and student services.

Obstacles faced if any and strategies adopted to overcome them:-

This practice of feedback analysis proved out to be constructive mechanism for the institution improvement. Through feedback, institution, not only promotes positive changes but also strengthen their relationships with the community.

Impact of Practice: The practice of Feedback analysis has proven to be an effective strategy for the improvement of the institution. It has improved the team performance, developed better decision-making skills and has reinforced positive behaviour in the institution.

Resources Required: -

- Teacher's feedback Performa
- Institutional Performa
- Performa for School Internship
- Visitor's Book
