### **COMMUNITY DEVELOPMENT PROGRAMME : WORKSHOP ON PROFESSIONAL DEVELOPMENT OF SCHOOL TEACHERS**

For the professional development of the school teachers, two workshops entitled “Vitalising Teaching Methodology” were organised one for Social Science teachers and another for Science teachers. In this series, the first workshop was organized on April 16, 2013 for teachers teaching Social Sciences to promote teaching skills. This workshop was presided over by Principal Dr. Amit Kauts who in the inaugural address stressed that it is important for Social Sciences teachers to understand the social environment. He also focussed that until we correlate the teaching with the higher objectives of teaching only the bookish knowledge to the students can be given and ultimate objective of teaching cannot be attained.

This workshop was conducted under three technical sessions. First technical session was conducted by Mrs Neelu Jhanji who spoke on the topic “Role of Instructional Objectives for Effective Teaching”. During this session, an orientation and practice in framing of instructional objectives from knowledge to evaluation level were given to the teachers by Dr Amit Kauts and Mrs Neelu Jhanji.

In the second reflective session, Mrs Shivani Gulati elaborated on Methodological Framework for Integrating ICT in Social Sciences and focused on exploration, gathering information, its organization and communication by using ICT tools viz. Google Earth, Google Images, Mind Maps, Lexicons, Smart Art, Social Networking Sites, Timelines, Graphs etc. Different online and offline resources being told in order to make teaching of Social Sciences interesting.

In the third session, Dr Deepa Sikand Kauts reflected upon the topic “CCE as a tool for developing

overall personality". The session intended to review the latest developments in the schools especially after introduction of CCE programme and acquisition of skills for the overall development of the personality of the teachers as well as students.

15 Social Sciences teachers from 13 practising schools participated in the workshop. Mrs Neelu Jhanji was the course co-ordinator, Dr Meharban Singh was the Co-ordinator and Dr Deepa Sikand Kauts was the Academic Co-ordinator of this workshop.

In this series, the second Workshop was organized on April 20, 2013 for teachers teaching Sciences to promote teaching skills. The second workshop was presided over by principal Dr. Amit Kauts.

This workshop was conducted under three technical sessions. In the first technical session, Principal Dr Amit Kauts emphasized the need to bridge the gap between curriculum of teacher education programmes and actual class-room teaching in order to produce better teachers. He also stressed that we need to master three types of knowledge i.e. Content, Pedagogical content and Curricular, in order to bring desirable learning outcomes and for this, consistency in efforts throughout the school environment is needed.

Second technical session was conducted by Dr Meharbhan Singh, who spoke on the topic "Role of Instructional Objectives for Effective Teaching". During this session, it was focused that we need to frame instructional objectives to cater to the diverse needs of the students. In this interactive session, Dr Amit Kauts and Dr Meharban Singh addressed to the practical class room problems of the teachers in order to bring attitudinal change in teaching Science.

Third reflective session was conducted by Mr Gagandeep Sharma, who demonstrated Inquiry Training Model in Teaching of Sciences which can help the students to develop scientific temper and creative thinking among the students.

This workshop aimed at strengthening the relationship with one of the institution's important stakeholders i.e. practising school. 15 Science teachers from 12 practising schools participated in the workshop. Mr Gangandeep Sharma was the course co-ordinator, Dr Meharban Singh was the Co-ordinator and Dr Deepa Sikand Kauts was the Academic Co-ordinator of the workshop.
